

ALBERT PRIMARY SCHOOL

YSGOL GYNRADD ALBERT

10TH OCTOBER 2019

Advanced Notice

Albert Primary School Key Stage 2

Summer Production

13th & 14th July 2020

Parent Governor Vacancies

The overall purpose of the Governing Body is to help Albert Primary School provide the best possible education for its pupils, in order to develop every child's full potential. The Governors continue to encourage a caring partnership between the School, Parents and Governors for the benefit of the child, school and community.

I am delighted to inform you that, following the recent nominations for parent governor representatives, we welcome back Katherine Shelton to Albert Primary's Governing Body.

ADDITIONAL INSET DAY

The Welsh Government has designated an extra INSET day for this academic year in order for schools to work together within their cluster to further their design and approach in support of the new curriculum.

This is planned to be held on **Friday 26th June 2020.**

All Wales School Liaison Core Programme 2019/2020

At various times during this academic year, PC Emma Mudie and PC Chris Thompson will be attending school to educate our children about some of the challenges that affect our society today through the 'All Wales School Liaison Core Programme / SchoolBeat'. The intention of the Programme is to safeguard all children and young people living in Wales by providing them with current up to date information about the dangers associated with such issues as substance use and misuse, domestic abuse, bullying, anti-social behaviour, internet safety, mobile phone usage and community cohesion.

The SCPOs are trained to deliver lessons on the themes of substance misuse, personal safety, safeguarding and behaviour and community to a best practice educational standard that is welcomed by schools. In addition to their professional training as Police Officers they support schools in many ways through supportive policing; dealing with incidents using the School Crime Beat policy and offering restorative resolutions including restorative conferencing when required.

Children and young people are often innocent of these issues or the potential for breaking the law. So it is important that children are provided with accurate up to date information by specialists to ensure they are able to make correctly informed decisions.

If you have any questions regarding this Programme please speak to your child's class teacher or find out more via <https://schoolbeat.cymru>.

School Update

On Friday 27th September, we held a coffee morning in aid of Macmillan Cancer Support. It was lovely to see the coffee morning well supported and we are very pleased to announce that it raised **£218.07**.

Thank you to all the parents who attended, supplied cakes and contributed.
