Criw Cymraeg

We're the Criw Cymraeg for 2019-2020. We are very excited to be working towards gaining the Cymraeg Campus Silver Award after last year's Criw Cymraeg successfully gained the Bronze Award. Gwych! We will be introducing different types of activities across the school to help everyone speak Welsh more often. Please check the schools' Twitter page for any updates on our progress and the weekly Welsh Phrase of the Week.
