

ALBERT PRIMARY SCHOOL

YSGOL GYNRADD ALBERT

20TH APRIL 2021

Dear Parents & Carers,

I write to inform you that Mr Aled Williams [Deputy Headteacher], has recently been appointed as Headteacher at All Saints' Primary School in Barry, from September 2021.

This is a well-deserved promotion after his significant contributions at Albert Primary School during his time here as Deputy Headteacher.

All members of staff wish him well and I am sure that all pupils, parents and governors will all miss Mr Williams' positivity, kindness and professionalism.

The children in school were also informed today [Tuesday] during their assembly.

The Governing Body will shortly be recruiting a replacement for Mr Williams and I will keep you updated with the outcome.

A Gilbert

Building Updates

The refurbishment of the external toilet block is going well and a new roof is currently being installed. Please be reminded of the builders welfare facilities on the street. The Local Authority recently carried out a road/pedestrian survey to support the need to replace a school crossing patrol at the site. Please be alerted to the fact that there is currently no school crossing patrol operating.

Dinner Money Price Increase [from 1 April 2021]

There is a price increase in school meals. The new price will be £2.40

The NHS has asked for this message to be sent out to you.

Undiagnosed Type 1 diabetes in children is a medical emergency.

Be vigilant to see if your child has ANY of the main symptoms of Type 1 diabetes. The main symptoms are known as the 4 Ts – Thirst, Toilet, Tiredness, Thinner. If you notice your child is thirsty or using the toilet more frequently, is always feeling tired, or has lost weight recently, please make an **urgent** GP appointment or contact the Out of Hours service.

Type 1 diabetes requires prompt treatment. NHS services are very well equipped to look after children safely if they are unwell. Please do not delay seeking medical advice because of COVID-19.

There is more information available here:
