Learning/Well-being Live Check-In Sessions Consent

Dear Parent/Carer,

All pupils from Reception to Year 6 will have the opportunity to 'check-in' with their class teachers through 'Learning & Well-being Check-in Sessions' throughout the week during this period of school closure.

Our Nursery children will also have the opportunity to check in with their teachers via TEAMs meetings. [Staff will schedule with these meetings with parents, when appropriate].

Please find below the timetable for these sessions. All the teaching staff have worked very hard to plan timings across the day to avoid any conflicts of timings with siblings in different classes. The sessions will enable the children to speak to their teacher regarding the work set and ask any relevant questions to help with their understanding. It will also give the children an opportunity to meet as a class, where possible, and to share ideas and relevant information.

Please find attached to this email a **consent form for you to return to your child's class teacher via your child's email account** giving permission for them to participate in these TEAM meetings.
