In Maths we will be learning – Counting to 10, 20 and 100; Recognising numbers to 5, 10 then 20; writing numbers to 5, 10 then 20; recognising simple 2d and 3d shapes; creating repeating patterns using colours and shape.

In ICT we will be learning about - E-safety, simple programming of floor robots, correct use of i-pads and ICT suite.

In ICE Cool we will be learning about different Riddles and Rhymes including traditional nursery rhymes and reciting them to our friends; we will be ordering different times of the day and finding out about different shades of colours and investigating what makes a healthy lunchbox. We will also be learning about nocturnal animals, light and dark and different light sources.

How you can help your child at home...

- Reading and writing the sound of the day that they are learning about on a daily basis.
- Reading high frequency words that they bring home.
- Name writing.
- Sharing their reading books when they are sent home on a weekly basis.
- Reading and writing numbers to 5, 10 then 20 and beyond.
- Counting objects to 5, 10 then 20 and beyond.
- Dressing and undressing themselves including doing up their coat.
- Encourage your child to take their shoes off and put them on independently.

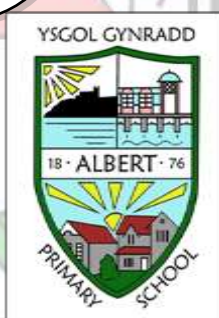

Things we need this term:

On Monday 21st October, for our Immersion day, the children will be asked to come to school dressed in a costume that fits with our topic 'To infinity and beyond' which is all about things that glitter and glow, fly and sparkle and come out at night.
