### Our Work This Term Will Include...

During our 'Celebrations' topic we will be researching festivals around the world, looking at Victorian Christmas traditions, finding symmetry in rangoli patterns, writing a play script about The Gunpowder Plot and studying Aboriginal Dreamtime stories in art.

In Language & Literacy we will be writing factsheets, comparing festivals, writing poems for Remembrance Sunday, describing characters and settings, writing play scripts and story writing.

In Maths we will be adding and subtracting using single and tens digits. We will be solving multiplication sums using repeated addition before moving onto multiplication grids, and solving division sums (including remainders) using our multiplication knowledge. We will be learning about paying for items and calculating change, finding halves and quarters in practical situations, understanding the properties of 2D and 3D shapes. Also, we will be collecting and sorting data using Carroll/Venn diagrams.

In ICT we will be learning about how to stay safe online and creating a iMovie.

### How You Can Help Your Child At Home...

- Read **with** your child daily, asking questions to check comprehension. If you would like advice on this please see your child's teacher.
- Regularly practise your child's spellings. In Year 2 your child has two spelling lists, high frequency words
- as in Year 1 and spelling patterns.
- Regularly practise your child's 'learn its' which you will find at the back of the spelling book. Also it would be helpful if they could learn them in a random order.

### Things We Need This Term...

Please inform the school if alternative arrangements have been made to collect your child from school.

Please could you make sure all items of clothing are clearly labelled with your child's name.

In Year 2 we would really appreciate any parent/carer volunteers who could spare time to help listen to readers. If you are able to help please see your class teacher.
