

Nursery - 20.04.20

Please ensure your children are supervised when viewing videos online.

Theme of the week: People who help us

Language, Literacy and Communication

Can you think of people who help us? Ask a grown up to help write a list (e.g. firefighter, police officer, doctor, nurse, dentist, teacher, parents). Can you recognise any letters/sounds in the list? Can you try to write some of these letters yourself? There are lots of different ways you could practise your writing, with pencils, crayons, paint, writing in sand/glitter/rice. If you are not ready to write your letters yet, do not worry – try some mark making: <https://www.earlyyearscreers.com/eyc/enabling-environment/mark-making-activities-for-younger-children/>

Phonics – practise singing the Jolly Phonics songs:
<https://www.youtube.com/watch?v=1Qpn2839Kro>

Look at your favourite book – what sounds can you see?

Mrs Butwell/Mrs Barrington's Group – can you find any 'oa' (as in goat) or 'ai' (as in pain) sounds in the book?

Mathematics and Numeracy

In Nursery we have been practising our Learn Its, Maths facts it is important for us to know:

- I have 1 head.
- I have 2 arms. I have 2 legs.
- I have 10 fingers. I have 10 toes.

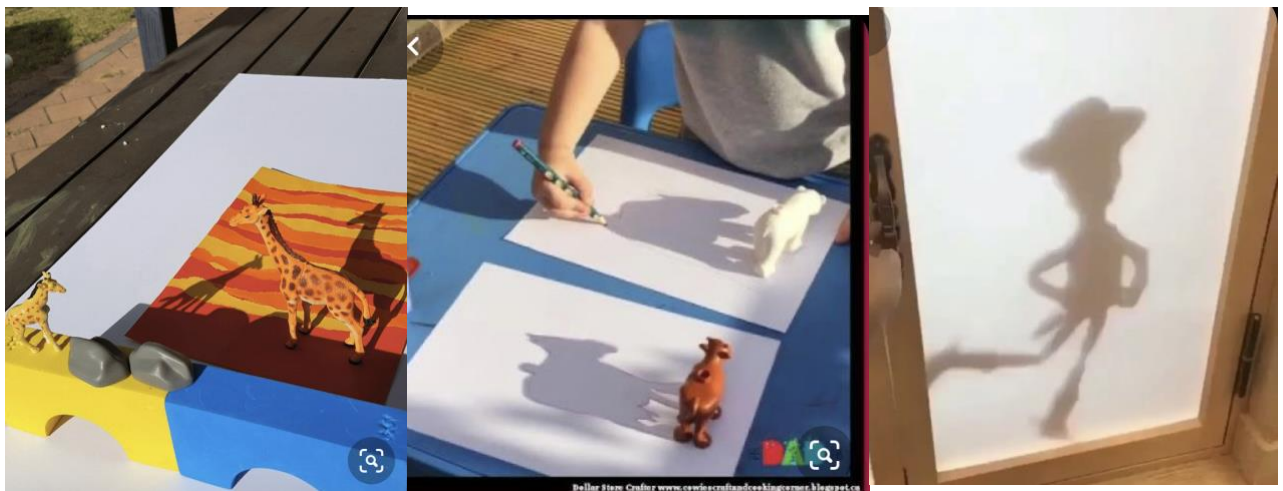

If you have a large piece of paper, get someone to draw around you. Can you number your fingers and toes? If not, draw a picture of yourself on a small piece of paper.

Health and Well-being

Practise responding to greetings – what do you say when someone at home says "Good morning"? What do you say when someone does something nice for you? It is important to remember to use please and thank you. Can you sign "please" and "thank you" in Makaton?

Science and Technology

Can you create shadows? There are lots of different ways of doing this, have a look at the pictures below. Are the shadows different at different times of day, if you are making them outside? If you're making them with a lamp, how does moving the lamp change the shadows?

<https://www.youtube.com/watch?v=IPZEG8YzCR0>

<https://www.youtube.com/watch?v=4MAE1NMN0rU>

Keep fit with Debbie Do! Follow the instructions. Can you balance with/without help?

https://www.youtube.com/watch?v=aQ2Vco_giiE

Expressive Arts

Dancing – listen to the instructions from Justin and dance with a partner:

<https://www.bbc.co.uk/sounds/play/b03g6v9t>

Listening carefully to the instructions will help the children with their listening skills as well as having some creative fun!

Dressing up – do you have any dressing up at home of people who help us? Could you pretend to be a firefighter/police officer/doctor/nurse/teacher?
