What different mini beasts are in the story? Can you name them? Which mini beast do you like the most? Which mini beast do you not like very much? Why?

Phonics

Practise singing the Jolly Phonics songs; so far we have followed the order of Jolly Phonics and have covered the sounds up to 'oa':

<https://www.youtube.com/watch?v=1Qpn2839Kro>

1. s, a, t, i, p, n
2. c k, e, h, r, m, d
3. g, o, u, l, f, b
4. ai, j, oa, ie, ee, or
5. z, w, ng, v, oo, oo
6. y, x, ch, sh, th, th
7. qu, ou, oi, ue, er, ar

Go back and look at sounds from the beginning. Can you remember the actions we used? Ask the children if they can think of items that might begin with this sound.

Writing

Can you write your name independently without copying it? If you cannot write all of your name can you write the first letter of your name? If you can write your own name independently then how about trying to write your surname?

Health and Well Being

Can you join in with some butterfly yoga?

Science and Technology

Design your own mini beast

<http://resources.hwb.wales.gov.uk/VTC/minibeasts/eng/Introduction/InterActiveWhiteBoardActivity.htm>

Can you make your own mini beast picture on the computer?

<https://www.j2e.com/jit5#paint>

(if you click on where it says animal you will get more options and be able to select minibeasts)

To save your picture take a screen shot of it!

Humanities

Go on a minibeast walk - can you spot some minibeasts in your local area? What did you see? Take pictures and use the following guide to identify which minibeasts you found. [Minibeast detective](#) Let us know what you found!

Where are the different minibeast habitats in your area or even your garden?

Mathematics and Numeracy

Can you count how many different mini beasts you can find on your walk? How many ants could you see? Were there more than 10? If there were a lot could you estimate how many there might have been?
